ESTA'SWING

The street jazz festival will amaze any music lover. Saxophone, trumpet, trombone, clarinet, piano and many other instruments will rhythm these 2 days. The festivities will take place in the historic centre of Estavayer-le-Lac. Free concerts outside and near restaurants will liven up the medieval streets. It is a good opportunity to enjoy a meal on the terraces and to enjoy one or more jazz concerts.

The first names on the programme for 2024 are Welsh jazzwoman Judith Owen and her group The Gentlemen Callers, and the Italian group Chicago Stompers, who specialise in performing jazz from the 20s and 30s in their period costumes.
