

SPECIAL ACCOMMODATION, MONTMELON

OURS BNB

"L'ours" consists of cabins, but not ordinary ones, because they allow you to look at the stars and enjoy the nightly display of the Jura sky. You are in the middle of a pasture, surrounded by mountains and forests, not far from the Doubs, where only the chirping of crickets lulls you to sleep at night and you awake entranced by birdsong.

The Girardin family offers you the chance to sleep "almost" under the stars in one of 10 amazing cabins, each with a bed for two (+ a baby/toddler). "Almost" because in these designer cabins, you have the choice between having the roof open or not, so you can sleep in the middle of the lush nature of the Clos du Doubs!

After a restful night under the Great Bear and on request, your breakfast (featuring only local and farm products!), will be served on site in the midst of nature. For your lunch and dinner, you can order a fondue, raclette or some delicious meat, which the Girardin family will be happy to bring to the campsite (not included in the package.) Please note that the sanitary facilities, i.e. washbasins, showers and toilets, are shared by the guests of the various cabins.

Itinerary

Yes, these lovely cabins travel! Like the stars. Actually, we are talking about temporary camping.

The campsites are (almost) as numerous as the constellations, but they still remain in the area of the Clos du Doubs. The surprise route of the cabins changes with the seasons.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
