'STAMMTISCH' COLLECTIF LE SALON & GUESTS:

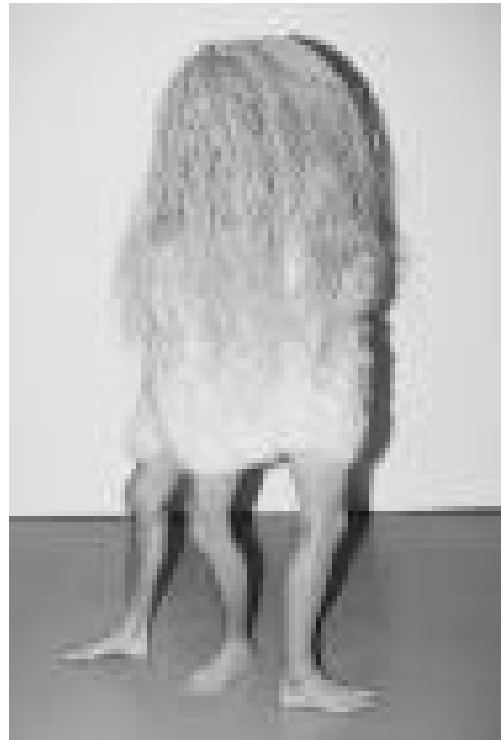

Stammtisch by Collectif Le Salon and seven guest artists delves into the complex symbolism of traditional communal spaces. The project features 15 publications, each offering an artistic interpretation of the Stammtisch concept inspired by diverse perspectives but also unfolds through a series of events. These gatherings aim to foster deeper engagement with the theme, inviting participants to explore the role of communal spaces in contemporary society and their impact on photography.

Stammtisch will extend beyond its launch at the Biel/Bienne Festival of Photography. Through a series of activations it aims to stimulate a discourse on community, collaboration, and collective identity in the digital age.
