LODGE ESPACEVAL

Completely renovated, espaceVAL's accommodation comprises 15 rooms, from 1 to 4 single beds, all with a view over the Areuse or the Crêtes du Jura. Tastefully furnished, renovated with quality materials and each with its own private bathroom, the new espaceVAL rooms are ideal for groups, sports clubs or individuals on vacation in Val-de-Travers. What's more, the proximity of the Hôtel Restaurant de l'Aigle, just 700 metres from espaceVAL, is an excellent complement for large groups.
