Ô33 - RESTAURANT DE L'HÔTEL DE VILLE (16 POINTS GM)

This comfortable and elegant restaurant offers a casual atmosphere and is accessible to all in the heart of the old town of Avenches. Ô33 is on the ground floor of the historic town hall building and offers a pleasant shaded terrace. There is a lunch menu and an à la carte evening menu complemented by suggestions of the moment. Among the mouth-watering offers are Avenches candied bison, Swiss Black Angus rib steak, blowtorched rock lobster, candied deer cheeks, tonka crème brûlée and home-made sorbet. The Chef and his crew are available for personalised offers for banquets, seminars and weddings. Aperitifs can also be organised in the cellar of the town hall called Ô Caveau, which also offers a quality concert programme in response to a request from the Avenches city council.
