CHOCOLATS CAMILLE BLOCH

Located in the beautiful Chasseral region, the Camille Bloch Visitor Center is easily accessible by car and train. This experience goes far beyond a traditional chocolate museum.

The Discovery Tour immerses you in the company's history. Watch live chocolate-making demonstrations and take part in interactive activities. A visit that awakens all your senses and leaves you with unforgettable, delicious memories! New: CINE-GAMING 4D is included with your entry ticket!

At the Atelier, share a creative moment with our chocolatiers. Make your own Ragusa, Torino or liqueur-filled chocolates.

The Bistro is the perfect place to enjoy sweet treats and drinks made with our signature products, as well as local specialties. Outside, a terrace and playground are available.

The Shop, our true chocolate boutique, offers the widest selection of Chocolaterie products – including exclusive items, ideal for gifting or self-indulgence. You can even personalize your own Ragusa!
