GORGES OF PERREFITTE

Nestled in the hills around Moutier, the Perrefitte gorges invite walkers to enjoy a pleasant walk in the forest. The gorges of Perrefitte, with their romantic and wild charm, start at the exit of the village, in the direction of Souboz. Natural paths and wooden stairs through the gorge lead from Perrefitte to the pastures on the heights of Moutier. The gorges have a mystical atmosphere and are surprisingly cool.
