Phyto 5 – new personalized experiences:

“LE BAIN LOVE INTENSE”

“Le Bain Love” offers a unique experience for couples. We have designed it as a customized version around the flagship Phyto 5 product, the ultra-concentrated serum based on essential oils. Before your bath, you can choose from the five Phyt’Ether Élément serums the one that best fits your emotional, energetic or physical situation at the moment. This Phyt’Ether Élément with its individual and specific benefits will be added to your bath along with Selextreme micronized crystals, extracted from the purest depths of the mountains and infused with essential oils.

The Phyt’Ether concentrate of essential oils complements your massage for a romantic, multisensory and even more personalized Bain Love Intense experience.

Bain Love Intense, including a 60-minute massage for couples.

“LE RITUEL BASIC INTENSE”

The steam bath in our private hammam reduces stress and helps you relax and release any built-up tension while removing toxins from the body. The steam bath can enhance the massage benefits as the skin gets thoroughly cleansed, which reinforces the skin-care and moisturizing effects of the massage oil.

Before your ritual, you can choose from the five ultraconcentrated Phyt’Ether Élément serums of essential oils the one that best fits your emotional, energetic or physical situation at the moment.

The Phyt’Ether concentrate of essential oils complements your massage for a multisensory and even more personalized experience. 30-minute steam bath + 60-minute massage for couples.

“LE MESSAGE INTENSE” FOR COUPLES

You know the benefits of a massage: reduction of stress, fatigue and tension. But above all, a massage is a moment of pure well-being, relaxation and reconnecting with yourself.

The massage for couples is a moment of shared bliss, which you can enjoy with your partner in a warm, private setting.

Before your massage treatment, you and your partner can choose from the five ultraconcentrated Phyt’Ether Élément serums the one that best fits your emotional, energetic or physical situation at the moment.

The Phyt’Ether concentrate of essential oils complements your massage for a multisensory and even more personalized experience with your partner.
