

CULTURAL HERITAGE, NEUCHÂTEL

CASTLE AND COLLEGIATE CHURCH

Built in the late 10th century, the Castle not only gave birth to the city at the foot of its ramparts, but also gave the city its name: Novum Castellum (new castle). Proudly enthroned on their hill, the Castle and the 12th-century Collegiate Church are Neuchâtel's undisputed icons. The exterior of the Collegiate Church and its slender towers, as well as its cloister, have just undergone a complete restoration. Be sure not to miss the cenotaph of the Counts of Neuchâtel!
