KRONE AARBERG - HOTEL & RESTAURANT SWISS LODGE

Welcome - feel at home - enjoy

In the heart of Aarberg's old town, the Hotel Krone welcomes you within its walls, which are characterised by over 800 years of history. At the Krone, every guest is welcomed by a warm and inviting atmosphere. The rooms are lovingly decorated and radiate a traditional ambience that caresses the senses with nostalgic charm and timeless elegance. Here you can truly feel like a guest and savour the beauty of the past to the full.

The first phase of the renovation has been successfully completed and the Krone Aarberg presents itself in its new guise, ready to welcome its guests. The next step will be a careful renovation of the hotel rooms. In summer 2024, the famous and popular Kronensaal will also be given a refreshing makeover.
