

HOTEL, NEUCHÂTEL

HÔTEL ALPES ET LAC

The hotel is combining the charm of a building of stone 1872 of size to a contemporary interior design. Everything is gathered here to offer you the most pleasant of the stays: 30 rooms all comfort, restaurant, bar, terrace panoramic view, room for seminars and banqueting hall which can welcome up to 120 persons. Overhanging Neuchâtel and its old roofs, the Alpes et Lac hotel enjoys a magnificent view which we guess in its name. In a harbor of peace and greenery, near the station.

You will need 40 minutes by train to join Lausanne, 1 hour and 10 minutes for Geneva airport and 2 hours for the airport of Zürich. Our 30 rooms are equipped with a safe, a TV / RADIO, a telephone, free WIFI, a bathroom with bathtub or shower, and a desk.

The hotel is on the place of the station and in 10 minutes on foot of the city center or the lakeside.

You will find an underground funicular to make the connection between the station and down town.
