# CHAMBRES D'HÔTES - AÉRODROME DU JURA

The Aéroport du Jura is pleased to propose 3 rooms with every comfort. These include 2 rooms with twin beds and 1 room with 6 beds. Located on the first floor of a new Minergie® certified building, each room has its own private bathroom with shower as well as a beautiful view of the surrounding landscape and runway.

A fully equipped meeting room which can accommodate between 25 and 40 people is also available for your use (projector, wireless connection, flipchart, HDI connection, etc).

The most recently constructed regional Swiss airport is located 5km from Porrentruy, a short distance from the French border, and meets all aviation requirements. This is a pleasant destination for leisure flights and to use as a base for exploring the treasures our region has to offer.
