WATER ACTIVITY, TRAMELAN

LE CHÂTEAU OUTDOOR POOL, TRAMELAN

Located in a superb natural setting, the pool offers exceptional swimming, play and relaxation conditions.
The water in the pools is heated with wood from the municipality and easily reaches 24 degrees throughout the season.

In fact, the rest area and the playground are spread over an area of 33'000 m2 in a very quiet environment with many trees that provide welcome shade.

The following facilities are available:
- 50 meter pool
- 3 m and 1 m diving boards
- Learning pool
- Pool for non-swimmers
- Wading pool with water games
- Restaurant with terrace
- Daily specials and small menu 7 days a week
- Beach volleyball court
- Ping-pong tables
- Soccer field
- Children's playground (new 2021)
- Picnic area with fireplace
