

RESTAURANTS, BIEL/BIENNE

DOCK4

Homemade food is served whenever possible, with local ingredients and regional products from the Biel region. At Dock4 you will find perfect tried-and-tested dishes: classic café creations, draught beer and innovatively prepared cocktails. The kitchen produces freshly-baked goods in the morning, and all kinds of healthy and “traditional” fare at lunchtime and in the evening.

You may also wish to take refreshments away with you to enjoy on the shores of the lake. Opening hours are later at weekends. The newly designed bar with long drinks and good music is the perfect setting to enjoy a superb sunset on Lake Biel.
