GRAPE HARVEST FESTIVAL IN LIGERZ

When the grapes are ripe and the autumn sun bathes the vineyards at the lake of Biel in a warm light, it is time to celebrate the harvest in Ligerz. Visit the winegrowers in their cellars which are open to the public, and taste the regional wines. A host of culinary delights can be enjoyed as well while strolling along the stands installed in the alleys. During the last two weekends in September, you experience the authentic ambiance of this charming winegrowers' village at its best.
