RESTAURANTS, MURTEN

SCHIFF AM SEE

Whether in pairs or with a large group, you are welcome even in bad weather. The lake is always present through the large window front. And when is it more comfortable to sit in the restaurant by the lake than when the thunderclouds are hanging low above the lake outside?

Swiss and international food as well as fish specialities in the restaurant Lord Nelson/Pergola and on the terrace of the lake. In the "Hafenbeizli" and the Captain Cook: home made pizza.
