HOTEL DU PONT-DE-THIELLE

The Hotel du Pont-de-Thielle is run by the fourth generation of the Bangerter family. This charming and rustic hotel is ideally situated on the banks of the Zihl Canal between the lakes of Neuchâtel and Biel, making it a great starting point for excursions in the Three-Lakes Region and the Jura.

Under the current circumstances, the establishment is adapting to health safety measures. In order to avoid any risk of infection, breakfast is therefore served in the rooms.
