CAMP SITE AND SWIMMING POOL IN PRÉS-SOUS-VILLE

On the bank of the Orbe, at the foot of the Jura, the Vallorbe camp site and heated swimming pool provide an out-of-the-ordinary stay for nature lovers. Two pools, paddling pool, water slide and beach-volley court ensure an active and revitalising stay in the heart of a pastoral setting abounding in nature. Ramblers choose the place for its numerous hiking paths and mountain bike circuits that criss-cross the region: path of the Peaks of the Jura no. 5, the circuit no. 7 "On the Jura Route", Switzerland by Bicycle, and the trail no. 3, Jura Bike (mountain bike).

When the family has been invigorated by a night in this setting, the visitor can discover the four well-known tourist sites of Vallorbe: Vallorbe Caves, Jurapark, Iron and Railway Museum, Fort Pré-Giroud 39-45.
