# LA TERRASSE - RESTAURANT HOTEL LA PRAIRIE

Two categories of rooms are available: the "Premium" or "luxury" have been completely remodeled in 2017 and 2018. They are spacious and attractive, with air conditioning, large and very bright bathrooms with shower and / or bath, cable TV, minibar, Nespresso machine, and some have a balcony. Two "Premium" suites with private terraces, as well as a very large "Executive" room are ideal for families, private meetings, or a bridal or pleasure stay.

The "Standard" rooms have retained their endearing layout, also with bathrooms, cable TV and minibar, but without air conditioning. Some rooms with balcony.

Our six air-conditioned seminar and banquet rooms can accommodate from 10 to 150 people. They are fully equipped with all modern comforts, a high-performance free Wi-Fi. Our rooms are in natural light and open in front of large outdoor spaces.

Our restaurant "La Terrasse" (14 points GM) with its warm atmosphere and, during the summer, its large shaded terrace, offers a renowned cuisine, refined and tasty. The Chef Daniel Aires offers generous dishes, focusing on fresh and homemade products. The menu varies according to the seasons, from the dishes of the day to the most elaborate or thematic menus, within the reach of all budgets.

The wine list presents a wide range of wines chosen directly from regional, from canton de Vaud, Valais and Neuchâtel, a fine selection of foreign wines. The 44 references from the canton, the carnotzet (typical name for wine cellars in the canton of Vaud), the menus and tasting packages have earned them a membership in the network of certified Vaud wine tourism enterprises.
