SPORTS & LEISURE, ORBE

URBA KIDS

Accessible by train and by car this recreation centre is open all year round except for December 25. It offers a number of activities adapted to each age group:

- from 4 years old: bouncy castles, trampolines, mini electric cars, giant maze, ball pools and toboggans.
- from 1 to 4 years old: an appropriate play area with balancing games, a mini toboggan, a ball pool, bouncy castles as well as a circuit for baby-walkers.

Several waiting and observational zones have been set up for use by the parents. A cafeteria as well as various special activities for birthdays complete the Urba Kids centre. In the summer season the centre offers periodic activities, such as a summer kindergarten and a maze in a corn field.
