

TRIP IDEA, MORAT

DOLCE VITA FOR BON VIVANTS

Individual arrival by car or public transport. After moving into your double room in a 3-star hotel in Murten, you will have the evening to yourself to discover the romantic Stedtli Murten. You can let your gaze glide over the roofs and the lake to Mont Vully and the Chasseral from the circular wall or stroll along the boutiques under the arcades. An apero by the lake with dinner on a terrace will round off the evening.

The next morning, after breakfast, you will head for Rentabike, where you will pick up your bicycles or e-bikes and start the (partial) loop around the lake. On the way we recommend various stops to pause for a moment and enjoy the breathtaking scenery. For example, at the beach in Salavaux, at the church in Cotterd or on Mont Vully, 653 m above sea level, from where you can enjoy a 360° panoramic view.

Afterwards, it's time for some reinforcement, in the form of fillets of perch from Lake Murten and a glass of Vully wine. It doesn't get much more local than this! Tired legs now comfortably take the boat towards Murten. Those who still feel like it, take the last few kilometers via Chablais forest under the saddle until they arrive back in Murten. After returning the bicycles, one last speciality will tempt you - the Nidelkuchen, of course, is not to be missed during a visit! If you prefer the salty version, you will find it in Vully. The Vully cake is available in sweet and salty form.

After this active recreation, it's time to head back home - by train, bus or car.
