THE VULLY GOURMET PATH

The walk is a roundtrip passing through 6 different culinary stops. The Vully Blues Club will provide some good music on the way as well as at the arrival.

To make the experience even more pleasant, departure times have been introduced (limited number of places for each time slot). It is therefore possible to start every 15 minutes from 1:00 pm to 6:00 pm (stands open until 9:00 pm). The bar in the arrival area will be open until 10:00 pm.

Registration is required at Vully Tourisme. Please mention your complete contact (name, first name, phone number, email), number of tickets and desired departure time.

The event will take place in all weather conditions.
