

FUN & ADVENTURE, LE CERNEUX-VEUSIL

ZOOANIMATION

Many ideas for hikes accompanied by the donkeys Anemone and Zachary in the beautiful scenery of the Franches-Montagnes and the Grand Chasseral, at the foot of the wind turbines of Mont-Soleil. Hiking for a few hours, a day, 2 or 3 days or a week, in the moonlight, with fondue, therapeutic care or coaching... everything is possible, according to your desires and interests! Zooanimation also offers different activities with animals (donkeys, goats, dogs, rabbits and doves). Care, cuddling, games, rally, ... enough to delight young and old.
