GOOD TO KNOW

- Canis-Scooter: the guest rides his own scooter, pulled by a husky, along a path in the valley of La Brévine. The dog is connected to the scooter by an elastic leash. Duration: approx. 30 minutes.
- Canis-Hike: hike in the valley of La Brévine. The guest has a belt around his waist connected to his "husky buddy". Snack in between. Duration: approx. 1.5 hours.
- Canis-hike and outdoor Fondue: hike through the valley of La Brévine. The guest has a belt around his waist connected to his "husky buddy". Fondue in the open air under the shelter of a log cabin. Duration: 2- 2.5 hours
