GASTRONOMY AND WINES, GRANDSON

"MAISON DES TERROIRS"

Located in the heart of the village of Grandson, near Lake Neuchâtel, the Maison des Terroirs is housed in an old renovated building, which has retained all its charm and character.

Visitors will find all the information they need for a successful stay. Following an oenotourism strategy, leisure information is combined with the discovery of the region's terroir, including truffles from northern Vaud. Thanks to its proximity to the Bonvillars AOC vineyards, the Maison des Terroirs presents and serves the finest wines to its guests. To accompany them, delicious cheeses and charcuterie garnish the table. In a convivial atmosphere, the Maison des Terroirs is also a place for exchanges between locals and visitors.
