

CAMPING, GRANDSON

THE PÉCOS CAMPSITE

A modern infrastructure and quality service guarantee a convivial stay, particularly well-suited to holidays with friends or family.

A warm welcome and shady places for tents and caravans are the major assets of this campsite, where campers can take advantage of a privileged natural environment. There is a special area for camping cars, complete with pump-out station. Numerous sporting and leisure facilities are situated close by, including a children's playground, a pétanque area and trails for walking or biking. Adjoining the campsite is a restaurant with a spacious covered terrace, reputed for its lake fish specialities.

Open from April to September, the campsite is an ideal location for spending great summer holidays.

Services available :

- Rental of electric bicycles
- Self-service use of a universal charging station for electric bicycles and a workstation for repairing bicycles.
- Grocery shop with fresh bread, ice cream and food.
- High speed Wi-Fi available free of charge throughout the campsite.
