JUBLIÄUMSFEIER 25 JAHRE PASSEPARTOUT

Since 25 years the Passepartout is a learning-, playing- and meeting place in Biel. Celebrate with us! Young people are encouraged and helped in their holistic development. Education is key in all programmes: within the open kids-work "Villa YoYo" as well as in the classical times of one-on-one help for school. Come over, the organisers lead you through our rooms. The organisers love to get to know you. Food and kids-activities are prepared.
