

RESTAURANT AU D

A photograph of a restaurant interior. In the foreground, a dark wooden table is set with plates, glasses, and cutlery. Two dark leather chairs are tucked under the table. In the background, a large wall-mounted display holds numerous small bottles, likely for wine or spirits. To the left, a window with sheer curtains allows natural light into the room. To the right, another window or doorway is visible, showing a glimpse of the outside. The overall atmosphere is warm and inviting.
